PE Subject Leader: Jennifer Greenwood

Overview of the School

Number of pupils on roll: 203

Amount of Sports Grant: £20,763 (INC 2,763 carried over)

Amount Spent: £17,206

Amount Left to Spend (carried over): £3,557

Actions and Strategies	Impact and Sustainable Outcomes	Evidence	Funding Use	Funding Allocation	Actual impact
Professional Development After staff discussions and audits of staff skills. Teachers explained how they didn't feel comfortable teaching dance/ gymnastics or orienteering Organised for a specialist teacher in all areas.	-Continue to raise the standard of teaching PE -Clear understanding of staff needs and abilities -Raise confidence and expertise in all staff members	- Informal lesson observations -Self and Peer Reviews -Pupil discussions -Teacher discussions	- Specialist dance and gymnastics and orienteering teachers providing CPD opportunity -Teachers observe and partake in sessions -Staff gain experience and confidence in relevant areas. -Including an after school club to provide additional, specialist extra-curricular activities.	**SGO Games package:** £6,400	Staff consultation shows an increased subject knowledge and confidence in teaching these subject areas. This also had a huge impact on the **achievement of pupils**, particularly in Gymnastics where they were given the opportunity to participate in the Year 3/4 Gymnastics comp.

Extra-Curricular Activity and achievement of pupils -Take part in all aspects of the DPSSA inter-schools competitions	-The range of extra-curricular opportunities is increased. -PE and Sport have an increased profile and are celebrated across school.	-Participation rates -Pupil discussions	-Inclusion and participation rates increased in all extracurricular activities in the following areas: - Football - Netball - Athletics - Gymnastics - Street Dance - Cricket - Rounders - Multi-sports - Athletics - Cross-country - Swimming - Curling - Cycling	**DPSSA Subs and Games Organiser fees:** £450	Pupil discussions show increased enjoyment and engagement in extracurricular sessions marked increase in number of pupils participating in extra-curricular sports, as well as representing the school in DPSSA & School Games competition.
Competitive opportunities -Promote competitive opportunities for all pupils across the school in both intra and inter competitions.	-Children given the opportunity to participate in a variety of competitions at a higher and more competitive level.	-Participation in competitions -Pupil discussions	-Affiliation with DPSSA, which includes provision and entry to all local competitions for children of various abilities. More frequent intra-schools competitions.	**SGO Sports Games Basic Package (Service Level Agreement):** £875	Intra-schools competitions undertaken almost weekly. Increase in % of pupils representing the school in sport. Increase in % of pupils who are members of sports clubs

Engaging the Least Active (Professional Development/ Extra-curricular/ Achievement of pupils/ Curriculum development) - To provide opportunities for the wider community to improve their health and fitness. *Change4Life initiatives*	-Target all pupils to increase activity levels. -Improve enjoyment - To encourage organised play and inspire an active lifestyle in their free time. -To develop Cross Curricular links with PE	-Participation rates -Pupil discussions	-World Book Day Dance Workshop. - Freddie Fit Sessions - School Food Show Down -Fun Food Chef. -UniPlay Playground markings. -Drumz Aloud	**Blue Box Entertainment – West End in Schools** £539 **Freddy Fit Sessions- X2 Sessions** £760 **School Food Road Show-** £299 **Fun Food Chef -** £990 (2 days) **Drumz Aloud** - £400 **Uni Play-** £600	**West End:** Children who wouldn't normally enjoy dance and performing, were positive and expressed how much they had fun. Children who wouldn't normally take part or enjoy this kind of activity, were made to feel like they could succeed and play a positive role. Staff could also see how they could incorporate dance into their English teaching. **Freddy Fit** Children thoroughly enjoyed the inclusive, yet competitive nature of the days. They also linked to Science learning and Healthy bodies which helped teachers link the session to work in the class room. All children felt a sense of achievement following the sessions. **Fun Food Chef/ School Food Road Show** Following the above sessions, children had a clearer understanding of having a healthy and balanced diet and what that means in reality. They learnt first-hand how to prepare and cook a healthy meal, quickly and why this is important. The sessions will hopefully help children have a healthy relationship with food. **Uni-play** The Active Zone markings and the other Sports activity related ,markings on the playground have inspired children to use the zones in their free time. This shows an increased number of children participating in exercise throughout the day.
Professional Development Specialist Sports Coaches for CPD Sessions (Pro-Sport)	-Continue to raise the standard of teaching PE -Clear understanding of staff needs and abilities	- Informal lesson observations -Self and Peer Reviews -Pupil discussions -Teacher discussions	All teacher have had access to a professional sports coach throughout the academic year. Each teacher will has had an allocated period of sessions to work with the coach delivering and planning sessions.	**£1500**	Staff consultation shows an increased subject knowledge and confidence in teaching PE.

	-Raise confidence and expertise in all staff members				
Professional/ Curriculum Development As a school we are focusing on developing our assessment procedures for the foundation subjects. In PE we are looking at how to track pupils across Key Stages and how to ensure they are meeting the End of Year Objectives	- A clear assessment procedure in place. - Staff are confident in using the procedures and making judgements. - Children can be tracked to improve progress	- Discussions with teachers to show they are confident. - All classes are assessed accurately. - Assessment proforma's and trackers are in place.	JG (Subject leader) attended the Lancashire course ' How to assess PE and Track Pupil Progress through Lancashire Core Tasks and End of Year Expectations.' Then fed back to other members of staff. Expectations for the rest of this academic year set and these will be reinforced in September 2018.	**£165**	The assessment for PE is beginning to be developed and adapted following on from the training and staff discussions. This will help create a clear profile of children to ensure their progress isn't hindered across Key Stages.
Curriculum Development/ achievement of pupils New resources in response to competitions the children have attended so that the children's engagement can continue, such as hockey sticks	- Children will be able to access the resources at play time and lunch time. - Extra Curricular clubs will now be able to run because staff can plan to use this equipment. - To encourage organised play	- Clubs - Discussions with children and questionnaires.	New sports orders ordered and children given access to these.	**£500**	The wider variety of sports clubs in response to the children's requests has been very well received by children and parents with many clubs being over-subscribed. This has ensured more children across school, including PP children are engaging in extra-curricular activities.

	and inspire an active lifestyle in their free time.				
Extra-Curricular Activities Links with local clubs	- To encourage children to participate in Sports outside of school time.	- Feedback from the clubs	Some local clubs have come into school to provide taster sessions for some children and encourage them to join the club outside of school time. -Organised Chaos -Blackburn Harriers -Darwen Tennis Club (Transport- £50) -Acro Gym -AFC Darwen -S7 Zumba -Cheerleading (7 sessions x£70)	-Organised Chaos (£**240**) -Darwen Tennis Club (Transport- £**50**) -Cheerleading (7 sessions x£**70**) - Street Dance £**375**	More children have been coming into school with sports awards on Friday Celebration worship. Many children are being identified as G&T in their field of sport, such as Swimming and Gymnastics. Clubs have contacted us to let us know the events have been a success and more children have signed up.
Curriculum Development/ achievement of pupils/ professional development LCF Cricket coach	- To provide specialist cricket coaching. - To give children the opportunity to join a club - To create links with the local cricket club	- Clubs - Discussions with children and questionnaires.	To provide specialist cricket teaching for all children across school and also provide them with an opportunity for an extra-curricular club.	**£550**	Children's FMS's across school are improving. Children are excited about taking part in PE lessons.
Curriculum Development Organise and pay for Reception –Year 6 classes to have the	- To improve OAA skills. - To provide exciting and engaging	- Discussions with staff and children	To provide the children with a visit from Mountain Monkey's in order to access to	**£634**	(Due to take place 17th and 18th July)

opportunity for specialist OAA staff come into school.	opportunities for children. -		specialist OAA instruction.		
Achievement of Pupils, Extra-Curricular Activities, Engaging the least active A member of staff wanted to attend a school trip which was more inclusive for her SEND pupils.	- To improve OAA skills. - To provide exciting and engaging opportunities for children. -	- Discussions with staff and children	To subsidise the Rock and River cost for Year 3 and Year 4 to attend the multi-activity day. These classes are target classes- least active and SEND	£696/class (total) Children to pay £8/child So £464/ class left to pay. **£928**	(Due to take place 28th June)
Extra-Curricular Activities Transport to different venues throughout the year.	- To ensure the children are able to be involved in a variety of competitions and experiences.	- Speaking to the children who enjoyed the event	A mini bus and driver was booked to transport the children to and from Blackburn Leisure centre for a Change for Life Multi Skills Festival.	**(£40** C4L festival March 2018 Dial A Ride)	This meant more children could attend the festival. Children who are least active were targeted to attend and all children thoroughly enjoyed the event.
Extra-Curricular Activities Kits Children did not have shin pads and socks and therefore not all children could participate in all events.	- To ensure all children are able to participate regardless of whether their family can afford the kits.	- Speaking to the children	Socks and shin pads were bought for the children to wear at sporting events	**£51.48**	This meant school could provide children who didn't have the correct safety equipment, such as shin pads to play some sports, with the correct equipment to enable more children to

					participate. This also made our kits complete which made the children have a sense of pride.
Curriculum Development/ Achievement of pupils Children are lacking in some OAA objectives due to teaching staff in school not having the confidence, ability or resources to teach areas, such as orienteering well.	- To ensure high standards of teaching are upheld across the curriculum.	- Discussions with staff and children - Achivement and progress in OAA	George Crawford-Smith was asked to produce an orienteering map of the school grounds and also of the Millennium Green.	**£350**	Having the maps of School and of the Millennium Green produced has meant the children can participate in Orienteering within school grounds and the local community.
