Inventing Fun!

Design Brief:

Use your creative and wonderful imagination to design and create a 'junk modelled' mock-up of your own weird and wonderful ANYTHING!

It could be a unicorn bicycle, a Dinosaur water dispenser, a guitar boat, a Minecraft sweet cannon - there is no limit to imagination! We can't wait for your amazing ideas and inventions!

Ideas?

- A Mario juice bottle
- Pokémon boat
- A sonic submarine
- A rainbow house
- A Minecraft sweet cannon
- A unicorn bottle
