

Hoddlesden St Paul's CE Primary School

Year 1 Spring 1 Home Learning Overview

As God's family, together we achieve

Task 1	<p>English</p> <p>Think about the characters from the story of <i>Rapunzel</i>. Choose one character and describe what they are like. You can share your thoughts by writing, drawing, or talking to someone at home.</p>
Task 2	<p>Phonics</p> <p>Complete some extra phonics learning and reading. I will be sending home additional phonics learning weekly. Go on Decodable Comics (phonicsplaycomics.co.uk) and enjoy the phonics comics! Recap Phase 4 and 5 sounds we have learnt so far.</p>
Task 3	<p>Maths</p> <p>Look around your home or garden to find and name 2D and 3D shapes. You can draw them, take photos, or talk about them with an adult, and describe what you notice about each shape, such as the number of sides, corners, faces, or whether the shape can roll or stack.</p>
Task 4	<p>Science</p> <p>Using materials you can find in your house or garden, carry out a fair test to discover which material would make the best tent to keep a teddy dry and sheltered on a camping trip. Then, write or explain to someone the properties of the material you chose (for example: waterproof, strong, flexible, or windproof) and why it worked best.</p>
Task 5	<p>Geography</p> <p>Pick an animal that lives in Asia. Describe the type of place (landscape) where your animal lives. You can write about it or explain it to someone in your family. Then, compare your animal's landscape with where we live in Hoddlesden by saying how they are the same and how they are different.</p>
Task 6	<p>Art</p> <p>Look at different paintings and drawings of Asian landscapes. Choose your favourite one and recreate it, experimenting with different tones, patterns and textures. What types of media could you use to create different tones, patterns and textures?</p>

Please complete tasks at home and share your learning with us on Seesaw. We will look forward to seeing your home learning over the half term!

Each task is equivalent to 1 hour of additional learning a week. If you would like to spend more time on a particular task that interests you, that would be great! In addition to the chosen tasks, children will have weekly reading.
