

Hoddlesden St Paul's CE Primary School Year 2 Autumn 2 Home Learning Overview

As God's family, together we achieve

Task 1	History - Talk to a family member about key events in your life. Discuss your past, e.g. <i>When were you born? Where were you born? What happened on your first birthday?</i> Record the key events of your life so far on a simple timeline. *Upload your timeline to Seesaw*
Task 2	Science - Life cycles! What is your favourite animal? Can you create a life cycle diagram for that animal? *Upload your pictures to Seesaw*
Task 3	DT - Use your imagination and your sewing skills to create something unique! <i>Can you design your item? What has inspired your design? Can you thread a needle? Can you use a running stitch?</i> This one might need to be completed over a couple of weeks! *Upload your pictures to Seesaw*
Task 4	History - Watch and learn about astronaut Tim Peake's famous spacewalk. What do you think it was like? How do you think Tim felt when he was doing the spacewalk? Would you like to do a spacewalk? Why/why not? *Upload your thoughts to Seesaw*
Task 5	DT - Design and build your own space rocket! <i>What materials would be best for your rocket? Why? What features would your rocket have? Why? Can you try and use recycled materials?</i> *Upload your design to Seesaw*
Task 6	Writing - Write a diary entry based on a journey in your space rocket. <i>What was it like there? What did you do? What was the best bit about space? What was the worst bit?</i> *Upload your diary entry to Seesaw*
Task 7	Computing – <i>Photography</i> – <i>How many different devices can you find in your house that take photos? Can you create a keynote presentation with photos of the different devices and how they take photos.</i> *Upload your presentation to Seesaw*

Each task is equivalent to 1 hour of additional learning a week. If you would like to spend more time on a particular task that interests you, that would be GREAT! In addition to the chosen tasks, children will have weekly **phonics homework**.
